Haiti experienced a catastrophic 7.0 magnitude earthquake on January 12. An estimated 3 million people were affected by the quake. Approximately 200,000 people were killed, and hundreds of thousands more were injured and/or left without food, water, shelter, or loved ones.

Through this year's Lenten Almsgiving Project, we have an opportunity to pour out love and support for the people of this country through a personal connection: Edith Morisseau, a clergy widow, who was a long-time member of St. Michael's until moving to Michigan several years ago. Her husband Fr. Dumont Morisseau and she spent many years serving parishes in Haiti, their native land. As per Edith's recommendations, your contributions to the St. Michael's Haiti Relief Fund will be distributed through the Haiti Outreach Mission, the George Stines Foundation, and the St. Vincent Episcopal School for the Handicapped.

Please contribute generously throughout Lent to this avenue of support.

Checks may be made out to St. Michael's; please write "Haiti Relief Fund" on the memo line.
